This week sees a new episode of [The Vedic Astrology Podcast](#) and it's all about what Vedic Astrology would say to your 20 year old self!

### 1. What would Vedic Astrology say ...

The episode came about because, at this time of year (when, after the Northern Hemisphere Summer, we start the new school year, embark on new adventures or return to our work with a refreshed perspective) I am asked to speak to groups about making the most of these new opportunities.

Click the image above to hear the set-up of the episode and join me below in a guessing game - can you pick the identities of my three hypothetical case studies? ...

#### 2. Case Study 1

This case study received the advice from Vedic Astrology to follow her inspiration - can you guess who's chart this is?

#### 3. Case Study 2

The 2nd hypothetical case study gets the advice to keep at the hard work - can you guess who's chart this is?

#### 4. Case Study 3

And what about our final case study hypothetical? This person is told ... they are a very unusual shape for their job! What would you do with that advice?!? Join the conversation at [The Vedic Astrology Podcast Blog](#).
