## Fiona's Friday 5

Now that all the planets have completed their retrogrades for the year (not counting the outer planets Uranus and Neptune), it's a great time to think about forward motion and the path you are taking. So, following up on last week's [Podcast](#), I'm taking the opportunity to explore "[The Purusharthas](#)" or "[The 4 paths](#)" with you this week. I hope you find this model as useful and helpful as I do!

### 1. The 4 paths

The Purusharthas are the 4 paths, pursuits or goals that all humans are involved in here on planet Earth. And they help us see why sometimes things flow easily and other times, one has to put in a lot of effort. They also show us how each of us has a different ratio of each of these paths. That's why one person's approach to life; work; marriage; family can be so different to another's. Vedic Astrology integrates these pursuits by Sign and by House which means your astrologer can identify the approach that is most useful for you in a nuanced and detailed way.

Last week's podcast went through how to use the 4 paths to learn about your overall life direction, career, happiness and more. This week I have some

soundbite snippets about career for you, as an example.

## 2. How to identify your career

The 4 paths can tell you important information about your career – listen to this soundbite for an overview of how to do that ...

## 3. A well supported career

In this soundbite, you can hear about the chart of someone who's career is well supported by alignment with life & work, having 'dharma path' indications and maturing early.

## 4. A mismatch of paths

Contrast the previous soundbite with this one where there is not alignment between the "Purusarthas" of the life direction and career by sign or house.

## 5. Study Hall and AstrolJam, tickets available

If you are currently on the [Apprenticeship](#), there are tickets available for [Study Hall](#) this November. And everyone is welcome to join us for [AstrolJam](#) where we are going to see if you can predict the future of this very well-known person!

Here are links to subscribe to my [Mailing list](#), [YouTube channel](#), [Instagram](#) and [Facebook](#) page. Please feel free to forward them and this newsletter to anyone you think might be interested.
